PLEDGE TO THE NATION

India is my country. All Indians are my brothers and sisters. I love my country and I am proud of its rich and varied heritage. I shall always strive to be worthy of it. I shall give my parents, teachers and all elders respect and treat everyone with courtesy. To my country and my people, I pledge my devotion. In their well-being and prosperity alone, lies my happiness.

ANTI-RAGGING PLEDGE

Our College is a temple of Learning and Ragging which is a social evil, is banned by the Government and in our Institution. I understand that, we are created in the image of God; we have to respect and value others. I am also aware of the fact that anyone indulging in ragging is likely to receive deterrent punishment like dismissal from the institution, withdrawal of scholarship, debarred from examination and denied admission to any institution. I understand that "No act of ragging, major or minor, shall go unnoticed". I will see my peer group with love and friendliness. We will help each other to reach goal of success in life.

PRAYER BEFORE CLASS

O God! Lord of light and wisdom! Be with us today. Fill our hearts with peace and joy. Enlighten our minds with new learning. Grant us bright intellect, a sound judgement and retentive memory. Help us to study patiently, orderly and diligently. Develop our state of mind and empower us to make good things in life. Fill our teachers and parents with Thy choicest blessings and enrich their souls with Thy holy grace. Watch over our thoughts, words and actions. Keep us safe within Your Almighty hand. Make us feel the presence of our Lady of Bon Secours in all our meaningful endeavours now and forever. *Amen.*

OUR INSTITUTION

Bon Secours Congregation was founded in the year 1858 at Pondicherry and now it has spread out throughout the country and even to overseas countries such as Italy, France and Germany. The Congregation is one of the first indigenous Congregations in India. Evangelization has been the main apostolate of the congregation in addition to their concern for the poor. The Sisters of congregation have involved themselves in Health Care, Social Service and Education, targeting a total transformation in the lives of the poor especially woman. However the congregation as a whole believed that the greatest single factor that can incredibly improve the status of the women is higher education. This inspired them to establish Institutions of Higher Education for Women in various places.

As a sequel to our experience, the Congregation have started Bon Secours Arts & Science College for Women in 2018 in Mannargudi at a campus where the education ministry is being carried out for the past 83 years. This vast campus holds within the same compound a Higher Secondary School from 6th to 12th std and a Matriculation School from KG to 10th std besides the newly started college. The College was started with 5 Programmes during the academic year 2018-19. Now it has been embellished to 13 UG and 4 PG programmes. The college has an excellent infrastructure with facilities for separate laboratories, library and hostel. Adequate transport facilities are available for commuting the students even from far off places.

Exclusive communicative English classes and Computer Classes are conducted to equip the students on par with global standard. Plenty of Extension activities such as NSS, YRC, RRC, EXNORA, Roteract etc. and extra-curricular activities are made available to make them wholesome students to garner glory in multisided activities.

Besides academic growth, the college focuses on the holistic development of the students. True to the Spirit and Vision of the Congregation, the college provides ample opportunities to the students to enlarge their spiritual and moral growth and to inculcate the strength of character building.

We are determined to make a difference in the field of Higher Education.

THE COLLEGE COAT OF ARMS

The Emblem of the college represents the power of women. The three women endeavour to change the world by empowering themselves, so as to make the world a better place to live in. The first woman symbolises arts, the second woman with a computer represents science and the third woman, with a book stands for education. All the three symbols aspire to bring about changes in their respective fields. The college motto, **“To empower, To change, To live”** is analogous to the emblem.

We believe that the students of this college emerge out as valorous women of wisdom, earning everyone’s respect, capable of bringing about positive changes in their lives and in the lives of others.

VISION

To transform the women learners, especially the rural women to be physically, intellectually, emotionally, socially and morally healthy and to empower them to meet the challenges of the world tomorrow.

MISSION

Bon Secours Arts & Science College for Women is committed to excellence in helping students reach their full potential by developing their academic competency, critical thinking, civic responsibility and global awareness.

OBJECTIVES

SHINE, JESUS, SHINE

Lord the light of Your love is shining
In the midst of the darkness, shining
Jesus, Light of the world, shine upon us
Set us free by the truth You now bring us
Shine on me Shine on me

Shine, Jesus, shine
Fill this land with the Father's glory
Blaze, Spirit, blaze, Set our hearts on fire
Flow, river, flow
Flood the nations with grace and mercy
Send forth Your Word, Lord And let there be light

Lord, I come into Your awesome presence
From the shadows into Your radiance
By the blood I may enter Your brightness
Search me, try me, consume all my darkness
Shine on me Shine on me

MAKE ME A CHANNEL OF YOUR PEACE

Make me a channel of your peace
Where there is hatred let me bring your love
Where there is injury, your pardon Lord
And where there is doubt true faith in You

Cho: Master grant that I may never seek
So much to be consoled as to console
To be understood as to understand
To be loved as to love with all my soul

Make ma a channel of your peace
Where there is despair in life let me bring hope
Where there is darkness only light
And where there's sadness ever joy

Make me a channel of your peace
It is in pardoning that we are pardoned
It is in giving to all man that we receive
And in dying that we are born to eternal life

HERE I AM TO WORSHIP

Light of the World
You stepped down into darkness
Open my eyes
Let me see
Beauty that made
This heart adore You
Hope of a life
Spent with You

Cho: Here I am to worship
Here I am to bow down
Here I am to say that You're my God
You're altogether lovely
Altogether worthy
Altogether wonderful to me

King of all days
Oh, so highly exalted
Glorious in Heaven above
Humbly You came
To the earth You created
All for love's sake became poor

THERE SHALL BE SHOWERS OF BLESSING

There shall be showers of blessing
This is the promise of love;
There shall be seasons refreshing,
Sent from the Savior above.

Cho: Showers of blessing,
Showers of blessing we need:
Mercy-drops round us are falling,
But for the showers we plead.

There shall be showers of blessing
Precious reviving again;
Over the hills and the valleys,
Sound of abundance of rain.

There shall be showers of blessing;
Send them upon us, O Lord;
Grant to us now a refreshing,
Come, and now honor Thy Word.

MORE LOVE, MORE POWER

More love, more power
More of You in my life
More love, more power
More of You in my life

And I will worship You with all of my heart
I will worship you with all of my mind
I will worship you with all of my strength

For You are my Lord
You are my all in all
You are my strength when I am weak
You are the treasure that I seek
You are my all in all
Seeking You as a precious jewel
Lord, to give up I'd be a fool

YOU ARE MY ALL IN ALL

Cho: Jesus, Lamb of God
Worthy is Your name
Jesus, Lamb of God
Worthy is Your name
Taking my sin, my cross, my shame
Rising again I bless Your name
You are my all in all

When I fall down You pick me up
When I am dry You fill my cup
You are my all in all

GOD WILL MAKE A WAY

Oh, God will make a way
Where there seems to be no way
He works in ways we cannot see
He will make a way for me

He will be my guide
Hold me closely to His side
With love and strength for each new day
He will make a way
He will make a way

By a roadway in the wilderness
He'll lead me
Rivers in the desert will I see
Heaven and earth will fade
But His Word will still remain
And He will do something new today
